## 1. Welcome to the 12<sup>th</sup> European Youth Orienteering Championships

### Dušan Vystavěl - EWG Chairman

Dear Young Orienteers, Ladies and Gentlemen,

It's a pleasure for me to meet you at this year's European Youth Orienteering Championships. We are gathering together in one of the most western part of Europe on the seashore of the Atlantic Ocean in the town of Foz de Arelho in Portugal. Thanks to the organizers, who were able to prepare the Championships in a very short time of 9 months, you will find here all you can expect from a competition of such a format - accommodation, catering and places for meeting competitors from other countries.

The races, where you will be fighting for the medals, are prepared in the historical town of Obidos as well as in beautiful pine forests very close to seaside. I would also like to express my big thanks to our orienteering friends from Israel who accepted the organizers' change and who were very supportive to the Portuguese organizers for example by rendering the Facebook profile of EYOC 2013 to them.

We wish you all amazing, not only orienteering experiences. Let the best of you win!

### Mayor of Caldas da Rainha - Tinta Ferreira

The realization of the European Orienteering Championship (EYOC 2013) will take place in October 2013, at Foz do Arelho, part of Caldas da Rainha city, gives us a great honor. This championship will feature more than 25 countries represented.

You can expect a pleasant and hospitable village and we hope that all participants in this championship have a pleasant host, an excellent time, the best sport results and personal achievements and take a good memory of Foz do Arelho and Caldas da Rainha city.

### Mayor of Óbidos - Telmo Faria

Dear Young Athletes and Events Organizers,

It is with great pleasure that Óbidos welcomes you to the European Youth Orienteering Championships (EYOC 2013). I am sure that this Medieval town, where History and tradition blend with Creativity and Entrepreneurship, will be a charming scenario, but also highly challenging for the games.

Enjoy your stay!

## President of Portuguese Orienteering Federation and Chairman of European Youth Orienteering Championships 2013 - Augusto Almeida

Dear friends,

The Portuguese Orienteering Federation (POF) is delighted to be organizing the European Youth Orienteering Championships 2013 (EYOC'13).

We are already working hard to make the event memorable both from a sporting and a social point of view.

Please enjoy your participation in EYOC'13 and your stay in our beautiful country.

Greetings from Portugal.

## Event Director - António Amador

The first contact to see the possibility of Portugal organize EYOC'2013 was on beginning of 2013. On two or three weeks we prepare an application that convinces the EWG to select Portugal as the EYOC'2013 organizer. This was on the end of February, only eight months from the beginning of the event.

On this short time we do all the necessary to have a great event not only technically with good terrains and courses but also with all necessary logistics for the participants have an unforgettable stay on Portugal.

I hope all of you enjoy this European Youth Orienteering Championships 2013 and Portugal.
