Tourist attractions of the region:

Czarna Wieś Kościelna - a town located on the Folk Handicraft Trail - you will find here many pottery, blacksmith's and artistic craft workshops. It is definitely worth visiting the house where the silage is produced and purchasing it.

Szudzialowo and its surroundings: The headquarters of the Krynki Forest Inspectorate in Poczopek do not require extensive recommendations to visit it and admire the magnificent collections. There are two mosques in the immediate vicinity in Bohoniki and in Kruszyniany, where you can also taste the great Tatar cuisine.

Supraśl - a health resort, beautifully situated with many tourist attractions and very good cuisine. The place and the entire neighborhood have been very eagerly chosen for film productions in recent years - the blonde, in the garden of God. 2014 MTBO World Championship Center
